MENU

Welcome to the Moore Park View Hotel, a cornerstone of Waterloo for over nine decades. As our neighbourhood has evolved, so have we, adapting our offerings to suit the changing lifestyles of our community.

Our History

The Waterloo area has undergone remarkable transformation over the past 30 years. Once an industrial hub with 24-hour production facilities like the Resch's Brewery, ACI Glassworks and Navy Stores, it is now a dynamic, multicultural inner-city community.

Throughout these changes, the Moore Park View Hotel has remained a constant. Owned and operated by the Doble family since 1992, we're proud to be one of the few independently-run, family-owned venues in the inner city.

Our Vision

At the Moore Park View Hotel, we strive to:

- Enhance the community experience
- Provide great food and drinks
- Uphold the true tradition of the great local Pub

Our Simple House Rules

To ensure everyone's enjoyment, we kindly ask all our patrons to follow these simple guidelines:

Families: We love having little ones visit! Please keep children seated with you and ensure they're tucked up in bed by 9:00 PM.

Pets: Furry friends are welcome in our bistro garden and outdoor beer garden. Please keep them always leashed and by your side.

Respect: Our staff is here to help. We appreciate your courtesy and respect towards them and your fellow patrons.

Be responsible: We practice Responsible Service of Alcohol. Anti-social behaviour won't be tolerated and you will be asked to move on.

Join us at the Moore Park View Hotel, where community, tradition, and good times come together in the heart of Waterloo.
